Ms. Bessey,

For the record: Gary Barbera's Chrysler Group absolutely withdrew sponsorship of the Liberty Pro Rodeo after 2006.

We did not, in any way shape or form sponsor or support the 2007 performance(s). The advertisement that appeared in the program booklet was not supplied by us or any of our agencies or representatives. In fact, that was our ad from the previous year; easily identifiable by the use of an address we haven't been at since March 1, 2007.

Our name and reputation is of the highest importance to us and we will go to great lengths to protect ourselves. We recognized your point of view and (in writing) we agreed to terminate our relationship with the rodeo. That is exactly what we did. Any presentation of any other scenario (by any individual or organization) is false and will be dealt with accordingly.

To close this matter I would like an apology letter from you acknowledging your complete understanding of this matter with assurance that our name will no longer be kicked around.

Sincerely,

Mike Burgo
Operations Manager
